MEDIA MAIL

30 second TV PSA:

People and/or businesses across the Gulf Coast region may be eligible for payments and other benefits from two separate class action settlements related to the Deepwater Horizon Oil Spill.

One settlement provides payments for some types of economic and property damage claims. The other settlement provides payments and other benefits for certain medical claims.

To get claim forms and notices, go to [www.DeepwaterHorizonSettlements.com](http://www.DeepwaterHorizonSettlements.com) or call 866-992-6174.

**Deepwater Horizon Oil Spill Litigation - Class Action Notice**

Dear Public Service Director:

Two separate settlements have been reached related to the Deepwater Horizon Oil Spill - one settlement addressing economic and property damage claims, and a separate settlement addressing medical claims. People and/or businesses across the Gulf Coast region may be eligible for payments and other benefits from one or both of the two settlements.

This message is important because the people and/or businesses affected have various rights, including the right to file claims, request exclusion from or object to either or both settlements. The PSAs inform people and businesses of their legal rights and how to obtain additional information.

Please air these spots as soon as possible, and continue to do so until October 1, 2012. Thank you for taking the time to consider sharing these PSAs with your audience.

Sincerely,  
Notice Administrator
